

8/2/2011

Hello,

My name is Eric Andersen, recently I was awarded scholarship funds for the 2011 Fall semester. Thank you for the tuition assistance. I have since used the grant money to help pay for the upcoming semester. The College Education Milestone Foundation is a wonderful program. Without the scholarship you awarded me I would have been unable to further my education. I am appreciative and grateful for the money and opportunity that you provided.

Very respectfully,

Eric Andersen
