Subject: Thank You Very Much

Dear College Education Milestone Foundation,

I would like to sincerely thank you from the bottom of my heart for your kindness and generosity in awarding me this monumental scholarship. Coming from a working class family in New York City, I know that it isn't always easy to accumulate funds to pay for my college education. I am overwhelmingly indebted to your foundation for providing me with more than enough assistance to help finish obtaining my degree at CUNY Hunter College. Your contribution has not only changed my bleak financial outlook concerning college, but it has also awarded me with the drive to continue doing the absolute best I can. This is truly the greatest contribution that I have ever received in my whole entire life. Words cannot even begin to express how thankful I am and how much of an honor it is to for you to bestow this donation to me. I would like to thank everyone involved in the College Education Milestone Foundation, especially Traci Medford Rosow, who was extremely gracious in considering me for this outstanding opportunity. I appreciate everything that she has done for me and she is truly a profoundly benevolent person for helping me out in my time of need. I will continue to strive to do my absolute best to honor the principles and uphold the standards that the College Education Milestone Foundation was founded on and remain devoted to succeeding in my education and studies.

Sincerely,

Matthew P. Murray
